#### BENTOITE CAT LITTER

Paws by Paws isn't just cat litter; it's a commitment to your cat's comfort and well-being. Our premium cat litter is formulated with natural ingredients and advanced technology to provide a clean, odor-free, and hygienic environment for your furry friend.

## Our cat litter is available in 4 different scents.

A naturally-made perfume, created with the exquisite blend of Bentoite, lavender, white soap, and Marseille

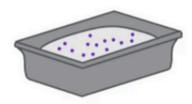

#### Easy to use

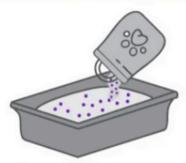

1. Fill up your cat's litter tray with cat litter (3-4 inches in depth).

3. Rake the litter daily as cats like a clean litter.

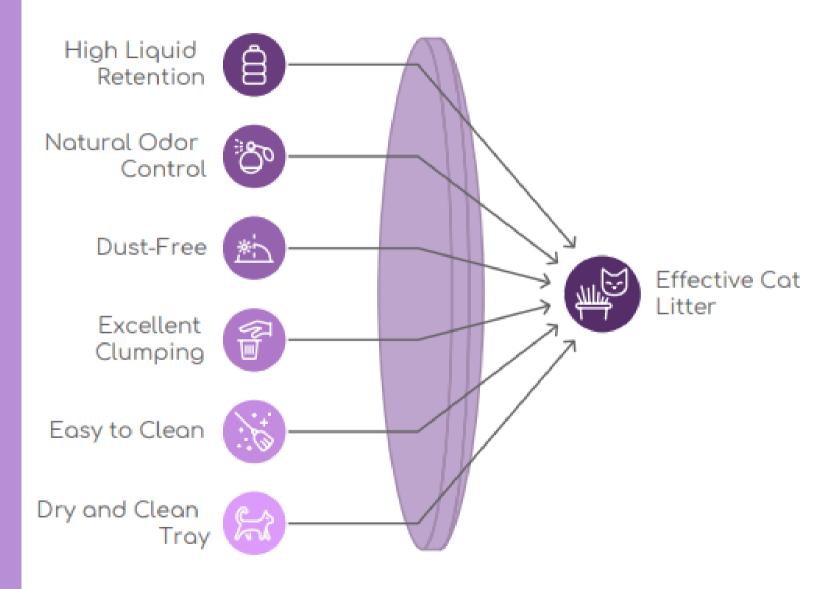

2. Scoop out the waste and top up with litter when required.

4. Replace the litter every week and dispose off in bin.
